Assemble the Quilt

① Referring to the Quilt Assembly Diagram below, arrange the blocks in three rows of three blocks each, placing one 2" x 23" block sashing strip between the blocks in each row. Sew the blocks and strips in each row together along adjacent edges. Press.

② Join the remaining row sashing strips together, end to end. Cut two side sashing strips, 74" long, and four row sashing strips 71" long.

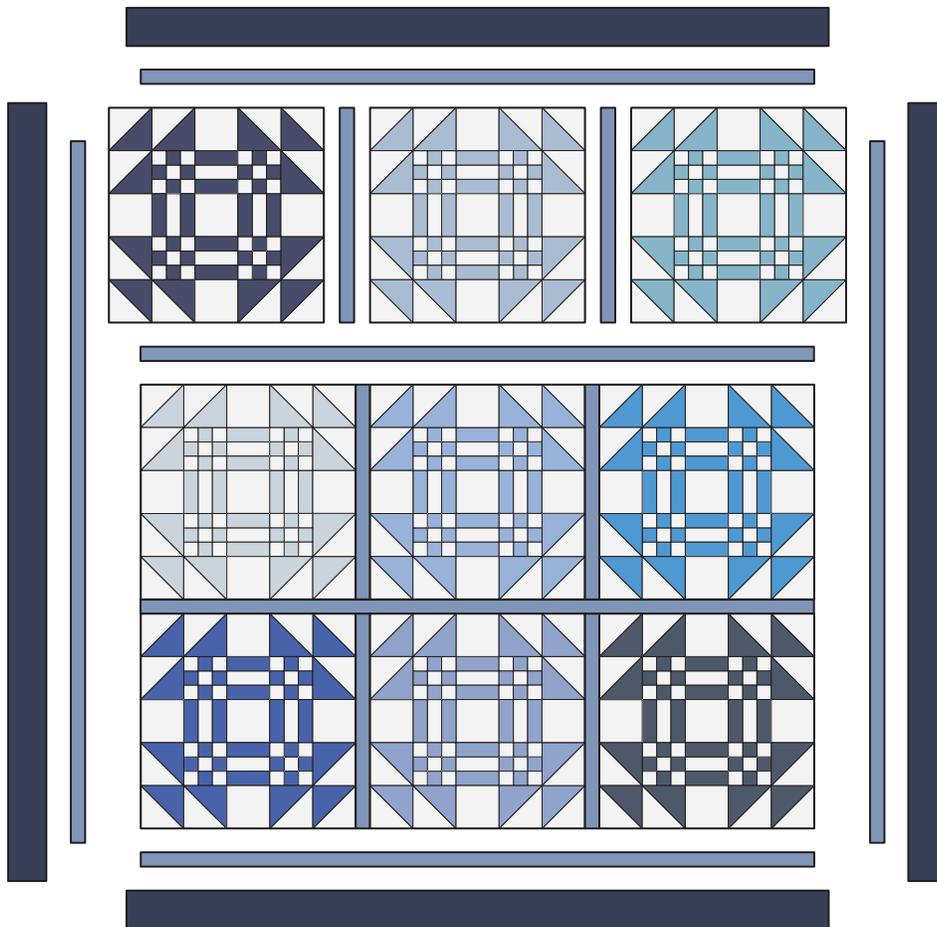

③ Sew one row sashing strip between each row of blocks, and to the top and bottom of the quilt top. Press. Sew one side sashing strip to each side of the quilt top. Press.

④ Sew the eight outer border strips together, end to end. Press. Cut two strips, 74" long. Sew one to the top and the other to the bottom of the quilt top. Press. Cut two strips, 82" long. Sew one strip to each side of the quilt. Press.

⑤ Layer the quilt backing, batting, and quilt top. Quilt as desired. Stitch a scant 1/4" from the edge around the perimeter of the quilt. Trim the excess backing and batting. Use your favorite method to bind the quilt.

Finishing

① Remove the selvages from the backing fabric. Join the 9" x WOF strips along the short edges. Press. Cut the remaining yardage into two equal lengths. Trim the 9" section to match the length of the larger sections. Arrange the sections as desired, and join the sections together along the adjacent long edges to make the quilt backing. Press.
